

Limousin Locator

The Limousin Society has set up an on line Limousin Breeder Locator (Limo Locator). It contains Breeders Name, Herd Name, Address, and optional contact number and/or e mail. The format is a map of Ireland with counties visible, clicking onto a county will present details of breeders who wish to be included.

Breeders who would like their details included on Limo Locator must complete this form and return it to the Limousin office.

I wish to be included under Limo Locator and am happy to have the following information up on the Irish Limousin web site.

Name _____

Herd Name _____

Address _____

I also want my contact number included Yes No

If YES my contact number is _____

I also want my e mail included Yes No

If YES my e mail is _____
