The ILCS will

- Recognise that the protection and welfare of children is of paramount importance, regardless of all other considerations.
- Fully co-operate with the relevant statutory authorities in relation to child protection and welfare matters.
- Adopt safe practices to minimise the possibility of harm or accidents happening to children and protect workers from the necessity to take unnecessary risks that may leave themselves open to accusations of abuse or neglect.
- Develop a practice of openness with parents and encourage parental involvement in the YMA events.
- Fully respect confidentiality requirements in dealing with child protection matters.

The ILCS will also adhere to the above principles in relation to any adult member with a special vulnerability.

The Council has ensured that the necessary policies, protocols, or practices as appropriate are in place in respect of each of the ILCS policies that are particularly relevant to child protection.

This policy has been made available to YMA event organisers and is readily accessible to parents on request.

This policy will be reviewed by the Council once in every year.
