FOREWORD

Welcome to the first Whitehall Limousin Production Sale. We established the Whitehall Limousin herd in 2003, buying heifers privately, at production sales and at the Premier Sales in Roscrea.

Three heifers who left a legacy in the herd were: Ard-Choill Trevi (Ideal 23) the grand dam of Whitehall Kerry; Pelletstown Sabrina (Ideal 23) the dam of Whitehall Iris; Ardlea Grisilda the dam of Whitehall Noelle. Several of the heifers offered in this sale are direct descendants of these cow families.

We use AI exclusively, calving approximately 25 pedigree cows and recipients annually. Our focus is on producing heifers that have growth and muscle, but are also feminine and docile.

Our sale includes the full crop of 2024 born heifers (excluding one twin) plus four heifers born in 2023 (in calf), three cows (one with calf at foot). A pair of outstanding young bulls are also on offer. Viewing of our sale cattle is available on farm 18th July at our open day.

We'd like to thank all who have assisted in making this sale a reality, a special thanks also to our generous sponsors and we wish any potential purchasers the very best of luck.

Noel & Ann Brennan

Whitehall Iris: Tullamore National Show Senior Female Champion 2018 shown with her twin sons, Nemo and Nero, at foot. At the March 2019 Premier Sale in Roscrea Iris' progeny dominated with Nemo crowned Junior Champion, Elite Montequé ET Senior Champion & Elite Messi ET Reserve Senior Champion.

Aughalion Prince: A Teflers Munster son out of Iris, currently standing as a sire at Elite Pedigree Genetics.

Whitehall Noelle ET: The youngest ever Supreme Champion at the Tullamore National Show 2019.

Pabo Tommy: Sold for 23,000gns Carlsile, Sired by Whitehall Larry. Proving the power of Whitehall genetics in the UK.

WHITEHALL VIVIENNE

Maiden heifer scanned correct for breeding

One of the gems of the sale, Vivienne is a show quality daughter of Whitehall Revi, a tank of a cow, by Sympa out of Kerry.

She is by the increasingly popular sire Knock MSport and is twin to a heifer (not in the sale due to a setback as a weanling). Vivienne is a maternal half-sister to Vienna ET (Lot 11) and All Star ET (Lot 25) She exhibits all the qualities that we like in a Limousin heifer: feminine length; width; muscle and docile. Vivienne is developing into an impressive heifer. Scanned suitable for breeding.
